Table Lamp 907-3 "Louis XVI"

The French Baroque Family

This little Candelabrum closely draws from the original chandeliers of this epoch. It features the used materials as well as the typical shape and layout.

We manufacture the frame from massively cast brass bars which are exquisitely gilded with the kings gold technique. The crystal is in the classical hand-polished lead-free quality. For this little piece very precious pendulums are selected to enhance the otherwise diminishing fixture.
